OBJECTIVE

A highly motivated and skilled Computer Science Engineering student with hands-on experience in Java, Python, SQL, C, C++, and web development. Proficient in leveraging frameworks like React to build scalable and efficient applications. Experienced in the MERN stack (MongoDB, Express.js, React, Node.js) for developing full-stack web applications and well-versed in JDBC and JSP for dynamic web development. Seeking an opportunity to apply my technical expertise in a dynamic environment, contributing to innovative projects while enhancing my skill set and driving meaningful impact.

EDUCATION

Bachelor of Computer Science, Raghu Engineering College, **CGPA: 8.8** Expected 2026

Diploma in Computer Science, Aditya Engineering College, **CGPA: 8.8** 2020 - 2023

SKILLS

Technical Skills	Java, Python, C++, C, SQL, JSP, JDBC.
Advanced Skills	Problem Solving, Data Structures and Algorithms
Development Skills	React.js, MERN Stack, HTML, CSS, JS, XML
Tools	Figma, Canva, Excel, Word, Photoshop

INTERNSHIPS

Web Development Trainee Aug 2022 - Jan 2023
Technical Hub *Aditya University*

- Completed 6 months internship and achieved 97%.
- Led my team to successfully complete the project in 4days Bootcamp.
- Developed Web project using Html, Css, Js, Bootstrap.

PROJECTS

Froasty Treats A full-stack responsive web application built using the MERN stack to provide a seamless online ordering experience for frozen desserts. Features include user authentication, product browsing, cart management, secure payments, and order tracking. ([Try it here](#))

Students Reserved Bank A MERN stack application designed to help students manage and reserve funds efficiently. It includes features such as account details checking, withdrawal and deposit pages. ([Try it here](#))

ACHIEVEMENTS

- I achieved top 5% in the NPTEL Java programming exam and got a silver badge.
- I got a silver badge in the NPTEL exam for DSA using Java
- I secured 1st place in the Code Combat coding competition conducted by JNTUV.
- I was selected by Wipro as a Scholar Trainee during my Diploma 3rd year, where I was offered a job along with the opportunity to pursue higher studies.
- Led my team to a Runner-up finish in the IPL Auction event at my college through strategic planning and player selection.
